### AROUND WEST CHESTERFIELD

#### Community Security Camera Updates

Multiple companies were sent requests for proposals to be the provider for the security cameras in our community. The WCCA Board and neighbors have to choose to move forward. This is the latest update on what will be offered.

- 1) 14 cameras will be installed on 6 homes on each block.
- 2) The camera will watch your main street, alley and side street.
- 3) Depending on participation, the cameras will have a triangulated view of common areas. They will not be aimed at you.
- 4) If 18 homes participate on your block. The one-time cost per home for installation in including service for three years will be \$500+/-.
- 5) Block Club Participants will monitor at designated times along with the neighbors who have paid for their home individually.
- 6) The images will be in color during the day and infra-red black and white during the night.
- 7) Preferred Vender on Price, Transparency and Reliability is ADT
